**LETTER OF RECOMMENDATION**

It is pleasure to write this letter of recommendation for **Mr. Ponnaganti Bhanu Chandar**, in the capacity of Assistant Professor of the Department of Agronomy. I have known him since the first year of his under graduation in which he had enrolled in one of my courses "**Principles of Agronomy**" where he had proved his immense inquisitiveness in the subject.

He is a first class student with an exceptional academic record in my subject for which I consider him to be having remarkable grasping power and diligence. The quest to show excellence in all the work he does is the most important quality. I constantly observed him in all the practical work where he tried to give his best for his course work program. He is a quick learner and able to produce brilliant results out of his work. Within the period of his studies he had shown himself as a disciplined, reliable, motivated and hard working student. He has a great desire to continue his graduate studies in Agriculture.

In short, I give **Mr. Ponnaganti Bhanu Chandar** my highest recommendation considering his excellent analytical skills and capability of conducting academic research in accordance to requirements of graduate school. I am confident that he would continue to be promising and competitive and would be capable of efficiently discharging his duties.

I wish all the success for his Bright Future.

  
(Dr.Hemant Bhanudas Patil)

**Assistant Professor**  
Department of Agronomy  
K.V.Patel College of Agriculture  
Shahada, Dist. Nandurbar
